

3. Apply to an aged care home and accept an offer

As you find aged care homes that meet your needs, you can start applying for a place. You can apply to as many homes as you like. It is a good idea to apply to a number of homes as your preferred home may not have a place available when you are looking. When a place becomes available, the aged care home will contact you or your nominated contact person.

Fill in an application form

All aged care homes have their own application process and may ask you to fill in a form. Talk to the homes you are interested in and find out what process they have and what information they need.

You will need to give the unique referral code you received from your ACAT to your chosen provider/s. This will allow them to view your client record and consider your care needs to help you enter an aged care home.

Accept an offer

When a place becomes available, the aged care home will contact you or your nominated contact person. Once you have accepted an offer of a place in an aged care home, the home will offer you formal agreements that cover things like services, accommodation costs, and your rights and responsibilities.

Use the checklist at the back of this booklet to prepare for your move. This includes organising your medical and financial matters, and who you'll need to tell about your move.
